- GYM
- CHESS
- LEARNING NEW THINGS

• Projects

Project title:	
Project Name	Self-Website
Project Duration:	1 month
Learning @ Project	My first ever self made website created with the help HTML and CSS. It contains my interest and my bio data. What I learned from this is that my lot's of concept about HTML5 and CSS3 got cleared.
Project title:	
Project Name	Crypto
Project Duration:	1 month
Learning @ Project	Just a two designed webpage interconnected with each other and form a good looking website based on crypto currency. It made up of HTML & CSS. While working on this project I get to know lot's about cryptocurrencies.
